RHODES ON THE PAWTUXET

Soirée à PARIS

38th ANNUAL TOMORROW FUND GALA

Where Elegance Meets Purpose

Join us for Soirée à Paris, a dazzling evening inspired by the romance, elegance, and charm of the City of Light. Guests will enjoy an unforgettable night featuring exquisite dining, dancing, and exciting "Live" and "Silent" Auctions, all in support of programs that benefit brave children battling cancer.

Thanks to caring supporters like you, **The Tomorrow Fund** remains the only local nonprofit organization providing daily financial and emotional support to children diagnosed with cancer and their families. For more than 41 years, we have helped over 2,500 children navigate the challenges of childhood cancer.

Together, we can continue to provide hope, comfort, and critical assistance, giving families the strength they need to face tomorrow.

Giving Families the Strength to Face Tomorrow

A diagnosis of childhood cancer changes everything, affecting not only the child, but also their entire support system. In an instant, everyday life is replaced with hospital visits, treatment schedules, uncertainty, and challenges no family should have to face alone. Along with the emotional toll, families often face significant financial challenges while focusing on their child's treatment and recovery.

Thanks to the generosity of supporters like you, The Tomorrow Fund provides critical assistance that extends far beyond medical care. Your support helps families keep the lights on, maintain a warm and safe home, repair a vehicle needed to travel to treatment appointments, and manage overdue household bills during an incredibly difficult time. These essential services allow parents to focus on what matters most, helping their child get well.

Few words are more devastating for a parent than, “Your child has cancer.”

For over 40 years, The Tomorrow Fund has provided critical financial and emotional support to children with cancer and their families throughout Rhode Island and beyond. Founded by Dr. Edwin Forman, former Chief of Pediatric Oncology, we have helped more than 2,500 families navigate the challenges of a childhood cancer diagnosis.

While medical care focuses on treating the child, families are often overwhelmed by everyday financial burdens. The Tomorrow Fund helps ease those burdens by assisting with mortgage and rent payments, utilities, fertility preservation, inpatient stipends, camps, scholarships, survivorship programs, funeral expenses, and so much more.

We invite your organization to become a Gala Corporate Partner and join us in making a meaningful difference in the lives of children battling cancer.

On Saturday, November 7, 2026, we will celebrate our Annual Gala, Soirée à Paris, an elegant evening inspired by the beauty and charm of Paris. This inspiring evening brings together business leaders, community advocates, philanthropists, and supporters who share a commitment to helping local families facing childhood cancer.

Your partnership is more than a sponsorship, it is an investment in hope, resilience, and the future of children in our community. As a Corporate Partner, your organization will demonstrate its commitment to corporate social responsibility while gaining meaningful visibility among a passionate and engaged audience. Most importantly, your support will directly impact families who need it most.

Enclosed is our Corporate Partnership Packet, which outlines the many opportunities available to support this extraordinary event. We encourage you to review the materials and consider how your organization can help ensure that no family faces childhood cancer alone.
